in All Parts of the United States Lydia E. Pinkham's Vegetable Compound Has Effected Similar Cures.

Many wonderful cures of female ills are continually coming to light which have been brought about by Lydia E Pinkham's Vegetable Compound, and

through the advice of Mrs. Pinkham. of Lynn, Mass., which is given to sick women absolutely free of charge.

The present Mrs. Pinkham has for twenty-five years made a study of the ills of her sex ; she has consulted with and advised thousands of suffering women, who to-day owe not only their health but even life to her helpful advice.

Mrs. Fannie D. Fox, of 7 Chestnut Street. Bradford, Pa., writes: Dear Mrs. Pinkham

Dear Mrs. Pinkham

"I suffered for a long time with female trouble, and finally was told by my physician that I had a tumor. I did not want to submit to an operation, so wrote you for advice. I received your letter and did as you told me, and to-day I am completely cured. My doctor mys the tumor has disappeared, and I am once more a well woman. I believe Lydia E. Pinkham's Vegetable Compound is the best medicine in the world."

The testimonials which we are constantlypublishing from grateful women establish beyond a doubt the power of Lydia E. Pinkham's Vegetable Compound to conquer female diseases.

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. She asks nothing in return for her advice. It is absolutely free, and to thousands of women has proved to be more precious than gold.
